

Key Stage 4 Homework Schedule

All students in KS4 (Years 10 & 11) will generally be assigned one to three pieces of homework after school each day.

Homework may entail activities such as research or wider reading on a topic, completion of some worksheets/exercises, or some revision in preparation for a test.

*Please be advised that there may be occasions when students are required to complete tasks on days that differ from their regular schedule. This may occur in situations where classwork remains unfinished, when a student has missed a scheduled lesson, or when they are engaged in a project that necessitates additional time for completion.

Year Group	Monday	Tuesday	Wednesday	Thursday	Friday
10	Mandarin/ Hindi/ Panjabi Business English Literature	Computer Science Maths Ext.	EFL English ESL English Chemistry Maths Ext. Maths Core	Physics T&T iGCSE PE Psychology Global Perspectives	Thai Language & Culture Biology Economics Art
