Assessment Schedule: Term 1 (2025-26)

This is the Assessment Schedule for Term 1. It is important to note that this is a guideline and teachers will stick to this timetable as strictly as possible. However, there is always the possibility that a teacher will feel it necessary to give additional tests to assess the students' progress, or that a test will have to be rescheduled due to unforeseen circumstances. Students will be made well aware of any changes before they take place.

The Assessment Schedules for Terms 2 and 3 will be posted at the beginning of those terms. Check back here for more information as the year progresses.

Year 12
